[Civil Service Pension Scheme Task Force Update](#)

This is a new service - your [feedback](#) will help us to improve it.

If this is your first time accessing the member portal since 25 November, you will need to [create a new account](#). Once you have completed the registration process, please wait 15 minutes before logging in to ensure your account has been fully activated. Thank you for your patience.

If you applied for retirement before 1 December 2025 but have told us that your retirement date is effective after 1 December 2025, we will be writing to you in the coming days with further information about the next steps in receiving your quote. [Read more.](#)

Contribution rates

How much you and your employer will pay towards your pension

The following contributions rates apply for members of the classic, classic plus, premium, nuvos and alpha pension schemes.

There are no changes to the Partnership pension employer rates at this time and the mini-ASLC will remain at 0.5%. A review of Partnership rates will be undertaken and a further EPN will be issued should changes be appropriate.
